

DECLARATION OF CONFORMITY

in accordance with ISO/IEC 17050-1
No. 2017 – 174
(based on last SVHC list dated 07.07.2017)

Issuer's name: **DIAMOND SA**
Issuer's address: **Via dei Patrizi 5
CH-6616 Losone – Switzerland**

Object of declaration:

All products supplied directly by DIAMOND SA or by our representatives, subject to the European Union REACH regulation and put into operation according to the documentation supplied with the products.

The object of the declaration described above is in conformity with the requirements of the following directive and its amendment directives:

Documents No.	Title Edition	Date of issue
2006/1907/EC	<i>Regulation (EC) No 1907/2006 of the European Parliament and of the Council of concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)</i>	18 December 2006

Additional information:

You are purchasing Diamond goods, referred to the European Union REACH regulation (Registration, Evaluation and Authorization of Chemicals) as "articles". Diamond is fully aware of the above mentioned regulation and will:

- verify with partners/ suppliers that all substances or/ and preparations present in the supplied products, which require a registration, are correctly registered.
- notify substances of very high concern (SVHC) listed in both Candidate List as well as in Annex XIV of the REACH regulation;
- constantly monitor all news concerning the REACH regulation, as i.e. verification of possible new substances which are subject to restrictions and are added to the SVHC list in regular intervals;
- inform the customer in the case of future changes in the recipes, due to restrictions or new restrictions of substances in items of which our products are made

No article manufactured or commercialized by Diamond SA has been or is foreseen to be withdrawn from the range of products due to introduction of the REACH regulation.
